

You are invited to participate in celebrating 30 years of Habitat for Humanity of Martin County Building on Faith

Martin County is a beautiful place to live and work. Hard work alone does not always result in realizing your dreams. However, because of the generosity of people like you, Habitat for Humanity has the privilege of bringing families and affordable housing together. ***Thank you.***

In 30 years of **Building on Faith**, Habitat has placed 120 families in new homes and through the Neighborhood Revitalization component of our mission, has upgraded the living conditions of 192 additional families who are more active members of our community. ***Thank you.***

Now it is time to celebrate those successes and prepare for the future. Through a variety of planned events in 2015-2016 we invite you to continue supporting the mission of providing affordable shelter in Martin County.

We will reflect on our past 30 years in the community and plan for the future. Let's celebrate together, side by side, just as we have built homes and communities. There will be several community engagement events as well as basketball with the Harlem Ambassadors in February.

Please consider your best way to be involved. You can be a part of just one event or sponsor the entire year, it is up to **you!** We hope you will consider supporting the celebration by becoming a sponsor and inviting your friends to attend one or several events throughout the year. Together we build homes, communities and hope. ***Thank you.***
