

What to expect on the job site

- Please arrive by 8:15 a.m.
- Work generally ends around 1 pm or when weather or materials restrict the workday. All workers are asked to assist with site clean-up at the end of the day.
- Volunteers will be greeted and asked to complete the sign-in sheet and sign-out at the end of the day.
- We will begin the day with Devotion and prayer, safety instructions, and a construction supervisor will then direct the volunteers to the task at hand.
- Volunteers should report to the site supervisor once they have signed in.
- Please be aware that a construction site can be a dangerous place. Habitat will do all that can be done to keep the site clean and accident free. By signing in, you are agreeing to our safety rules and practices.
- If you do not bring your own safety equipment, it will be provided to you at the site. This includes hard hats, safety goggles, ear protection, work gloves, and dust masks – when appropriate.
- Be prepared for the tropical Florida weather. Bring water, sun protection and dress appropriately.
- Wear clothes you expect to get dirty and stained, especially if you are painting.
- Wear closed-toe shoes with thick soles—NO SANDALS, FLIP FLOPS or CROCS!
- Water coolers and snacks will be on-site for your convenience. Be sure to take in adequate amounts of water throughout the day.
- There will be restroom facilities on site.
- Parking is limited, so please car-pool if possible.
- Young children requiring supervision are not permitted on the worksite.
- If you are unable to speak/understand English, please bring an interpreter.

What to bring:

- Hat
- Sunscreen, bug spray, water
- Work gloves, tape measure, chalk line, speed square
- If you bring your own tools, clearly mark them with your name.
